Is your child starting school in September?

The schools and preschools in Canford Heath will be running workshops on how to support your child to be 'school ready' for September. You are invited to attend this workshop regardless of which school your child will be attending.

There are two dates available to choose from:

Wednesday 29th March – 6pm at Canford Heath Infant School

Thursday 20th April – 6pm at Ad Astra Infant School

We look forward to seeing you there!
