Music Mark

October 2021

Dear Parents/Carers

I would like to share the fabulous news that all four schools within TEACH Trust have been nominated by our local musical hub, SoundStorm, to become Music Mark Schools.

This award means that we are recognised for the value that our schools place on the music curriculum and all the skills and hard work that the staff at TEACH Trust show the pupils to enable them to access and engage with a high-quality music education.

It also acknowledges the engagement we make to improving music education provision within all areas of our school community.

The Music Mark nomination offers us many benefits that can be utilised to engage in extra resources for the children and support with teaching and CPD opportunities for furthering our skills and knowledge.

We look forward to sharing our exciting journey with you.

Yours faithfully

R Turner
