Dear Parent/Carer,

EYFS 'People who help us' topic

This term, in Early Years, we are going to be learning about different jobs and occupations, particularly those that involve helping others. During this topic, we are hoping to learn about as many 'real life super heroes' as possible such as police officers, nurses, doctors, fire fighters, paramedics, RNLI volunteers and more. We would also like to know about the jobs that the people in our community do, and that is where our parents on the Heath might be able to help.

If you have a job that involves helping others and you and/or a colleague would be happy to speak to the Early Years children at school, please fill in the form below by Wednesday 4th October and let us know your availability. Examples of jobs we would love to hear about are vets, postal workers, pilots, dentists, nurses and many more.

In the past, the sessions have typically involved spending 10-15 minutes in each class, talking to the children about what your job entails and giving the children the opportunity to ask you questions. Some of our more memorable visits have involved parents bringing in equipment or uniforms for the children to look at too. Our topic will take place between Monday 16th October and Friday 10th November (half term is W/C 23th October). Unfortunately, we may not be able to accept all of the kind offers we receive, due to timetable restraints and in the case of receiving duplicate offers. I will contact you via telephone or email to inform you whether or not we are able to accommodate your visit.

Thank you for your continued support,

Yours faithfully
