Drop off/collection zone at CHIS and CHJS

Dear Parents/Carers,

As we approach the end of the Spring term, I wanted to write to ask for your cooperation with an ongoing issue regarding our drop off/collection zone at CHIS/CHJS.

Please can we ask that you DO NOT move the cones that are placed in the drop off/collection zone or try to park there before the cones are placed out. We place these cones to ensure that parents are not parking in the drop off/collection zone so that parents can use the facility as a drop off/collection zone, which is the appropriate and safest use of this area.

We are constantly dealing with parents/carers who are moving the cones to park their cars and many are being abusive to staff if they are asked to move on. This is private property belonging to the Trust and we will not allow for the drop off/collection zone to be abused and we are permitted to ask you to move. Anyone being abusive or refusing to move will have their registration recorded and this will be shared with the Police/Traffic control.

We have been inundated with complaints from parents regarding this inappropriate use of our drop off and collection zone and would like YOUR cooperation to ensure this stops.

Thank you for your support with this matter.

Best wishes
