Dear Parent and Carer,

On behalf of the Trustees of TEACH, I welcome you and your child to our school. We are confident that your child will enjoy their time with us, and look forward to them joining our community. Our enthusiastic and highly skilled staff will support them during their time with us whilst helping them acquire the skills and attitudes they need to become life-long learners and help them develop and achieve high expectations of themselves.

TEACH is a Multi-Academy Trust, formed in April 2015 by the association of Ad Astra Infant School, Canford Heath Infant School, Canford Heath Junior School and Haymoor Junior School. The TEACH Trust Board governs the schools. We meet on a regular basis, setting the direction that all the schools take. Our role is to oversee, support and develop the performance of the schools in providing a first-class education within the framework of the National Curriculum and to ensure the effective social and emotional development and well-being of our pupils.

Mrs Kate Carter, CEO of the Trust, leads the staff of all four schools. She is supported by a senior team of four Headteachers, a Head of Curriculum and Standards, a Head of Inclusion and SEND and Deputy Head teachers who, together with all our staff, ensure consistency of teaching and learning standards across the Trust.

Together with your support, we will make your child's time with us to be one of enjoyment and positive personal development as they achieve their full potential.
