5th November 2021

Dear Parent/Carer,

Extra support at Christmas time

Our schools have been given an amazing opportunity to provide some of our families with food parcels and/or Christmas gifts for your children (and siblings) to support you during the Christmas period.

We are aware of some families whom we have helped out before, but we wanted to be sure that we are aware of any of our other families and children who may be in situations we are not yet aware of, who may also need help, such as this.

It could be that you have experienced sudden or ongoing financial difficulties, low income or job loss or some other reason which has made things difficult for you. If this is the case, we would really like to help.

If you think that you may qualify for this wonderful opportunity then please do get in touch and discuss with me, in the strictest confidence, whether we can help. My email address is: m.bates@teachpoole.com.

If you think this offer is something you might qualify for (or are not sure and just want to check) please do email me by **Monday 15th November**, so that I can organise who can receive them. Please state your child's name and reason's that you think you may qualify and I will get in touch with you shortly.

If at any other time of the year you may need some support then please let your Pastoral Care Worker in your child's own school know, as we can also offer food bank vouchers.

Kind regards

Mrs M Bates
