Article 28: Children have a right to a primary education.

3rd September 2025

Dear parents/carers,

I hope that you have had a lovely summer with family and friends and were able to enjoy some of the excellent weather! We are looking forward to welcoming our Year 1 and Year 2 children back to school tomorrow, and our new EYFS children will be joining us next week. As you are aware, the work on our school roof started over the summer holidays and is now fully underway. Due to the scaffolding surrounding the school, we have had to make some additional changes to the drop off and collection arrangements, and these are listed below.

Breakfast club

For this week only, please bring your child to the front office for breakfast club and a member of staff will greet them and take them to breakfast club. Next week, you will be able to drop your child off at the normal drop off gate. Please be careful when you walk down the path as it is very narrow, so you will need to walk single file.

Buddy Club

For this week only, please collect your child from the front office by pressing the front gate buzzer and a member of the Buddy Club team will walk your child to meet you there. Next week, you will be able to collect your child from the normal Buddy Club exit. Please be careful when you walk down the path as it is very narrow, so you will need to walk single file.

Pandas

For this week only, please bring your child through the main gate (by the office) and staff will be there to meet them and walk them through the school down to

Canford Heath Infant School

their classroom. Next week, you will be able to bring them to their normal gate. Your children will continue to exit via their classroom doors onto the playground. To access their classroom doors, you will need to go through the Pandas' gate, round to the mobile classroom, onto the junior school path and through the Year 2 wooden gates - staff will be there to direct you.

Hedgehogs

Whilst the roof work is taking place, Hedgehogs will leave via their classroom door, not the base door. This will mean that you will need to walk past the Squirrels' classroom, towards Year 2 and wait outside the classroom door.

Lions and Leopards

Your children will continue to exit via their classroom doors onto the back playground. To access their classroom doors, you will need to go through the Pandas' gate, round to the mobile classroom, onto the junior school path and through the Year 2 wooden gates - staff will be there to direct you.

Thank you so much for you co-operation.

Yours faithfully,

Laurin Palmer
Headteacher
