10 November 2021

Dear Parents and Carers,

I am delighted to inform you that each of our schools, Ad Astra, Haymoor, Canford Heath Infant and Canford Heath Junior, all have brand new websites!

Following feedback received at our Parent Forum meetings about the accessibility to the old websites (especially when accessing them on smart phones), we approached several website providers so that we could provide websites that were easy to use, and that information could be easily found. We recognise that websites are often visited via mobile phones/tablets, so we chose a provider who builds websites to be mobile phone friendly first and foremost, but are also easy to use on a desktop computer, too.

Some of the fantastic new key features of our new websites include:

- Latest news headlines on the homepage - you can see at a glance what we have been doing in school and scroll through the events for previous news. If you click on the event, you will be able to see more information.
- Upcoming events - this is linked to the calendar, so you can quickly see on the homepage which events we have coming up in school.
- Quicklinks - these can be found at the bottom of the Menu drop down if using an electronic device, or at the top of the home page on the desktop site. We have added quick links to useful websites, such as our hot school meal provider page, school uniform websites and School Gateway login, to name a few.
- Direct links to our Facebook and Instagram pages
- A new parents and carers section, as well as a section for pupils with links to learning pages.

Please do go and have a look around - we are really pleased with them, and we hope you are too!

I must say an enormous thank you to Mrs Georgie Wills, our website guru, who has spent a huge amount of time researching the possibilities and setting up the new accounts. This is not a small or quick task, and she has worked so hard on them, as you can see. I am sure you will agree that they are much easier to use, especially on a phone.

We would love to hear your feedback so please email the school office with any comments - the link to this email address can be found on the 'Contact Us' page.

Best wishes, as always.
