Article 28: Children have a right to a primary education.

Friday 26th September 2025

Dear Parents/ Carers,

We believe that it is important to celebrate the exceptional and outstanding things that your children are doing. The children continue to learn and challenge themselves in so many ways, both inside and outside school. We are so proud of *all* of their achievements and would like to celebrate these within school. Each week we hold special assemblies where children receive certificates for their hard work and achievements within school that have been acknowledged by their class teacher. We would like to celebrate their interests, talents and achievements outside of school too. We know that praise is such a powerful tool. It can help to drive and motivate the children to continue to do the very best that they can and strive towards their next goal and we know that it can also help to boost confidence. We will always endeavour to praise the effort that was applied, so we would love to celebrate your child's achievement, no matter how big or small. It may be that your child has recently received a swimming badge, moved up a grade in dance or music, found a particular interest in something new or that their football team won a local competition.

We would ask you to please email our school office (office@chis.poole.sch.uk) to inform us about your child's interest, talent or achievement. This could be anything that they do as part of a club or by participating in a competition or event. If your child has received a certificate, medal, badge or trophy, then please send a photo of them with their award! Emails can be sent throughout the year, and we will arrange to celebrate your child's achievement in an assembly in the following weeks. I am sure that the rest of the school will love to celebrate their friends' successes and to learn about hobbies and interests that may be different to their own.

Thank you for your continued support. We are really looking forward to celebrating all of their wonderful achievements!

Yours faithfully

Mrs Laurin Palmer
Headteacher
