Dear Parent and Carer,

On behalf of the Trustees of TEACH, I would like to welcome you and your child to our Trust. We are confident they will enjoy the education we provide, and look forward to them and you, joining our community. Our Trust has enthusiastic and highly skilled staff who will work hard to support and care for your child, teaching them the knowledge, skills and attitudes necessary to become life-long learners, and helping them to develop and achieve high expectations of themselves.

TEACH is a Multi-Academy Trust, formed in April 2015 by the coming together of Ad Astra Infant School, Canford Heath Infant School, Canford Heath Junior School and Haymoor Junior School. Our purpose is to provide, by pooling our resources and working closely together, the best Primary Education we can for the children attending the Canford Heath Community of schools. The TEACH Trust Board has oversight of the 4 schools, holding the leadership to account by monitoring the policies, outcomes and standards within each school. We meet on a regular basis, setting the strategic direction and financial budgeting for all the schools. We believe our decision making over the past 11 years has led to each school providing a first-class education within the framework of the National Curriculum. All 4 schools are currently judged Good or Outstanding by Ofsted. We remain committed to ensuring the effective social and emotional development and well-being of our pupils, and place a high priority on the creation of an inclusive and supportive learning environment.

Mrs Kate Carter, Chief Education Officer, or CEO, of the Trust, leads the staff of all four schools. She is an exceptional leader and is supported by a highly professional senior team of four Headteachers, a Head of Curriculum and Standards, a Head of Inclusion and SEND, and 4 Deputy Head teachers who, together with all staff, work extremely hard to ensure the children have the necessary resources, and achieve the necessary high standards, needed to propel them successfully into the next phase of their education.

We believe a strong and supportive partnership between a child's school and a child's parent/carer is essential if educational success is to be achieved. Together with your support, we will seek to make your child's time with us to be one of enjoyment, strong personal development and high achievement.

Thank you for choosing a school in the TEACH Trust.

Mrs Val Arbon
Chair of TEACH Trust
