## Weather Warning

Dear Parents and Carers,

24<sup>th</sup> June 2026

Following the escalation of the weather forecast to a **Red Weather Warning** and the difficulties we have experienced today in keeping our pupils, staff and school environment sufficiently cool and safe, we have made the difficult decision to **close the school tomorrow**.

The safety and wellbeing of our children and staff must remain our priority, and after careful consideration we believe this is the most appropriate course of action.

To support pupils' learning, **online learning activities will be available tomorrow**. Details of how to access these will be shared with you later today.

In addition, we recognise that some families may wish to collect their child early today. Parents and carers who would like to do so may collect their child from **2:00pm onwards**. Please follow the usual signing-out procedures when arriving at school.

Children who remain in school today will continue to be supervised and cared for as normal until the end of the school day.

We appreciate that this decision may cause some inconvenience and thank you for your understanding and support. We will continue to monitor the situation closely and provide any further updates as necessary.

Kind regards,

Kate Carter

CEO
