

End of Term Newsletter

A word from our Treasurer!

It's been a pleasure to see the incredible generosity of our school community throughout the year. A huge thank you to everyone who has supported PATCH. Your generosity and enthusiasm make everything we do possible, and it's wonderful to see the positive impact these funds have on enriching school life. We'll be sharing our final fundraising total and financial summary at our Annual General Meeting, and I'm looking forward to celebrating everything we've achieved together. In the meantime, I hope you all have a fantastic summer break, and thank you once again for your continued support.

♥ Debbie

What have we been up to?

What a term it's been for PATCH - full of fun, energy, and a huge amount of hard work from our volunteers and wider school community!

We kicked things off with our lively KPOP Dance Parties, setting the tone for a fantastic run of events. Our YR6's were treated to a well-earned SATs Party (with free ice creams, of course!), while our Sports Day Refreshment Stall kept everyone refreshed. The Summer Fair was a real highlight - a true reflection of what we can achieve when our school community comes together. Our Ice Lolly Stall kept the smiles coming as the perfect end-of-week treat, leading into our PATCH FoamFest - a festival-style finale and a brilliant way to kick off the summer. We also celebrated at our YR2 and YR6 Leavers' Discos, sending them off with lots of fun and the very best wishes for their next chapter. To top it all off, our YR6 Leavers' Hoodies gave children a special way to remember their time at Canford Heath Schools, while our school Tea Towels provided a wonderfully nostalgic keepsake for all our families.

During the Summer Term of the 2025/26 academic year, PATCH has raised over £6,000 - a HUGE THANK YOU to everyone who has supported, volunteered, and taken part!

How have we supported the schools?

Thanks to your incredible support and generosity, PATCH has been able to fund some fantastic initiatives this term:

- Covering the cost of the schools' minibuses
- Subsidising school trips & educational visits, including YR6 Activities Week
- STEM learning games for YR1
- Magnetic tiles & building blocks for YR2
- Play tent & books for the Pastoral Team
- 4 new purple gazebos for the Junior School
- Leavers' discos & gifts for YR2 & YR6
