Introducing Zeffy – PATCH's New Event Booking Platform

Dear Parents and Carers,

We are excited to let you know that, from the 2026/27 school year onwards, we will be moving our event bookings from PTA Events to **Zeffy**.

The reason for this change is simple. PTA Events charges booking fees on every ticket purchased, and during the 2025/26 school year those fees totalled over £700. We'd much rather see that money supporting our schools and creating even more opportunities for our children.

With **Zeffy**, there are no platform or commission fees, meaning every £1 raised through our events stays with PATCH to benefit our school community.

From the start of the 2026/27 school year, all PATCH event bookings and ticket sales will be managed through **Zeffy**. The booking process is quick and straightforward, with a layout and user experience very similar to PTA Events, so we hope the transition will be as seamless as possible.

The best part is that you do not need a **Zeffy** account to book tickets. Simply click on the event ticket link, which will be shared through our usual PATCH communications, select your ticket type and quantity, enter your details, complete your payment, and you'll automatically receive a confirmation email containing your tickets and QR code.

We hope you'll agree that this is a positive change, allowing more of the money raised through your generous support to go directly towards our schools and children, rather than being lost to booking fees.

Thank you, as always, for your continued support of PATCH and the events we organise throughout the year.

We look forward to seeing you in the coming school year!

Kind regards,

The PATCH and Friends Team
