PATCH Fundraising and Sponsorship

Dear Parents and Carers,

We're always looking for ways to make the money raised by PATCH go even further for our schools, and we'd love to ask for your help!

Do you work for, own or know a local business?

We're also looking for local businesses who might like to sponsor or support an upcoming PATCH event. This could be through a financial contribution, donating a prize or raffle item, providing a service, or another form of support. We're happy to discuss different options depending on what works for the business.

In return, we'd be delighted to recognise and thank our supporting businesses in our PATCH communications, including relevant social media posts, event promotions and other communications shared with our school community.

If you work for, own, know or have a connection with a business that might be interested in supporting PATCH, we'd love to hear from you. We can provide further information about our events and the different sponsorship opportunities available.

Does your employer offer charity or fundraising matching?

Some companies operate a £ for £ matching scheme, where they match money raised by their employees for a school, PTA or charitable cause. For example, if you help raise £200 at one of our PATCH events, your employer may be able to match that with another £200 – meaning your fundraising could bring £400 into our schools!

We'd particularly love to explore both of these options for our upcoming Christmas Fair, as well as our Summer Fair in July 2027. If either of these opportunities could apply to you, please get in touch with PATCH – we'd love to hear from you!

Thank you, as always, for helping us make a difference to our schools.

Kind regards,

The PATCH and Friends Team
