19th November 2021

Dear Parent/Carer,

YEAR 1 AND YEAR 2 MATHS WORKSHOP

Maths continues to be one of the most important areas of learning for your child. To give parents and carers a clearer picture of the maths curriculum that we follow, you may have seen that we were offering an information workshop on Tuesday 23rd November at 6pm in the school hall. Unfortunately, due to updated guidance, we have made the decision to cancel the workshop. As an alternative, we will be posting a video for you to watch from home, and this will be available on our school website from Wednesday 24th November.

During the video, we will share ways to develop and improve a number of your child's maths skills. This will include counting, understanding and using numbers, calculating and solving simple addition, subtraction, multiplication and division problems. This workshop will provide you with the tools to enable you to support your child to achieve the expected standard and beyond within maths.

Please accept our apologies for not being able to go ahead with this now, following this guidance, but we hope you will find the information video really useful. If you have any questions regarding your child's learning, please do not hesitate to ask your child's class teacher.

Yours faithfully

Mrs Adams
Maths Leader
