

Big Bad Wolf -Design and Technology

running stitch

thread

needle

eye of the needle

Looking at puppet examples will help us to create design criteria.

Following the design criteria will help us plan and make a successful puppet.

Key Vocabulary	
sewing	Making or mending things with a needle and thread.
stitch	A loop of thread left once a needle and thread has gone through a piece of material.
thread	A long thin strand of material used for sewing
needle	A sharp thin piece of metal that makes a hole.
template	A shape that can be drawn or cut around.
eye of a needle	Where the thread goes through the needle.

You can use a template to cut around so that your fabric is the right size and shape.

Using the running stitch, you can attach pieces of material together.

Big Bad Wolf - Science

Humans need water, air and food to survive.

It is important for humans to

- eat a balanced diet
- exercise for at least 30 minutes each day
- keep clean

A balanced diet should not include too much fat or sugar

- Animals, including humans, have offspring that turn into adults.
- Offspring change as they grow from a baby to an adult.

Key Vocabulary

offspring	A person or animals baby
chrysalis	A baby butterfly's or moths' hard shell that protect it when it changes.
spawn	When a fish or frog releases eggs.
hatches	When a baby animal comes out of its egg or shell.
larva	What some animals are before they change e.g a caterpillar is a larva before it changes to a butterfly.
carbohydrates	A food that gives you energy e.g bread, cereals and potatoes.
protein	A food that helps to build health muscles and help us grow e.g. meat and fish.
fats	Gives us lots of energy and can be stored as extra energy e.g butter
portions	A part of a whole amount that has been shared
