17th February 2022

Dear Parents/Carers,

Update Regarding Breakfast Club and Buddy Club

Due to an increase in demand for Breakfast Club places for our Canford Heath Infant School children, we are pleased to be able to offer some additional spaces each day. In order to be able to offer these spaces, children from Year 2 will now be able to enjoy their breakfast, as well as fun and engaging activities, in the main breakfast room with our junior school children. Extra spaces will be available from after half term.

In addition to extra spaces at Breakfast Club, we are also able to increase the number of spaces for Buddy Club, due to an increase in demand for after school care. Extra spaces will be available for each club, however, Homework Club will no longer be available to book for infant school children (bookings for infant school Homework Club will be transferred to Buddy 2). These extra spaces will be available after half term. In order for us to be able to offer extra spaces, we have welcomed a new member of staff to our team, Mrs Guite, who you may have already met when collecting your child.

We are also delighted to announce that, following feedback from children and parents/carers, we will be introducing our new Buddy 3 menus after February half term. The menu will now work on a 4 week rota, so that there is even more choice and variety for the children. I have included a copy of the new menu at the end of this letter.

Unfortunately, our lovely Miss Hillman will no longer be working with us at Buddy Club. Miss Hillman will be greatly missed by the children, as well as Buddy Club staff, however, she will still be staying with us for Breakfast Club, as well as keeping her SENTA role at the junior school. Mrs Hurle will be taking over as the Buddy Club Supervisor when we return from half term.

Please could we remind you that, if your child attends another after school club or activity and then needs to be brought down to Buddy Club afterwards, it is your responsibility to ensure that the organiser of the club/activity brings your child to the Buddy Club room and waits with them until they are registered. Unfortunately, the Buddy Club staff do not have capacity to be able to go and collect children from other clubs or activities. Thank you for your cooperation with this.
