Dear Parents and Carers,

PATCH are delighted to invite you to a **HALLOWEEN FANCY DRESS COSTUME SALE at Canford Heath Infant School playground, on Wednesday 5th October at 3pm.** With Halloween just around the corner it's the perfect time to stock up on some cheaper fancy dress costumes! All costumes are brand new and available for both infant and junior school pupils. They will be sold at half the RRP on a first come first served basis. Please note, this event will be cash only.

We will also be accepting donations of good condition costumes and accessories (any theme) in any child's size so if you're having a clear out, please bring them along and donate them on the day! This will enable us to hold more fancy-dress sales throughout the year to help with the dress up days at school.

Thank you in anticipation of your support with this new fundraiser!

Best wishes,

PATCH & friends team
