Article 29: Children have the right to develop their personality and talents to the full.

7th October 2021

Dear Parents/Carers,

We would first like to say a HUGE thank you and well done to all of our families for really embracing our new WOW – the walk to school challenge. Our children were really quick to spot the benefits of this project for their health; their safety and our environment and we have all enjoyed seeing many more scooters and bikes in our racks each day. So many of our children have earned their first WOW badge for the month of September too, which is brilliant.

Also, did you know that there are 'designated routes' near to our schools which aim to avoid busy roads wherever possible? Please see below a map showing (in orange) these routes near our schools which may be of interest to you when planning your route for getting to and from school in an active way.

Thank you again for your support with this project.

Best wishes

Laurin Palmer
