Dear Parents/Carers,

Canford Heath Junior School instrument lesson application process

Over the last few weeks, the children have been watching some videos of their peers playing a selection of instruments and our team of instrumental teachers have been demonstrating their skills and talking about what it is like to have lessons.

We have an amazing 440 children having lessons across the Trust!

The interest from the children following these lessons has been wonderful and I really hope that we can get lots of the children starting lessons in September.

In line with our mission to become a paper free office, I have moved the instrument lessons contract onto our website.

Please visit the school website and read the contract/details regarding school instrument lessons. Once read, please complete the simple application form and an email will be sent to myself informing me of the lessons that you wish your child to start. Please complete one form per child and per instrument.

You will need to complete the application if you wish to start a new instrument and also if you wish to continue current lessons.

Please could all applications be completed by the end of June so that we can set up communications with the instrument teachers.

Children who are entitled to Free School Meals (FSM) may be entitled to receive help towards the cost of lessons for one instrument.

Please follow the booking system flow chart overleaf to complete the application form.

Please feel free to contact me on music@teachpoole.com if you have any queries.

Yours faithfully

R Turner
